

# müşterek mekan

ebrike karaca-hilal etleç-merve kıratlı

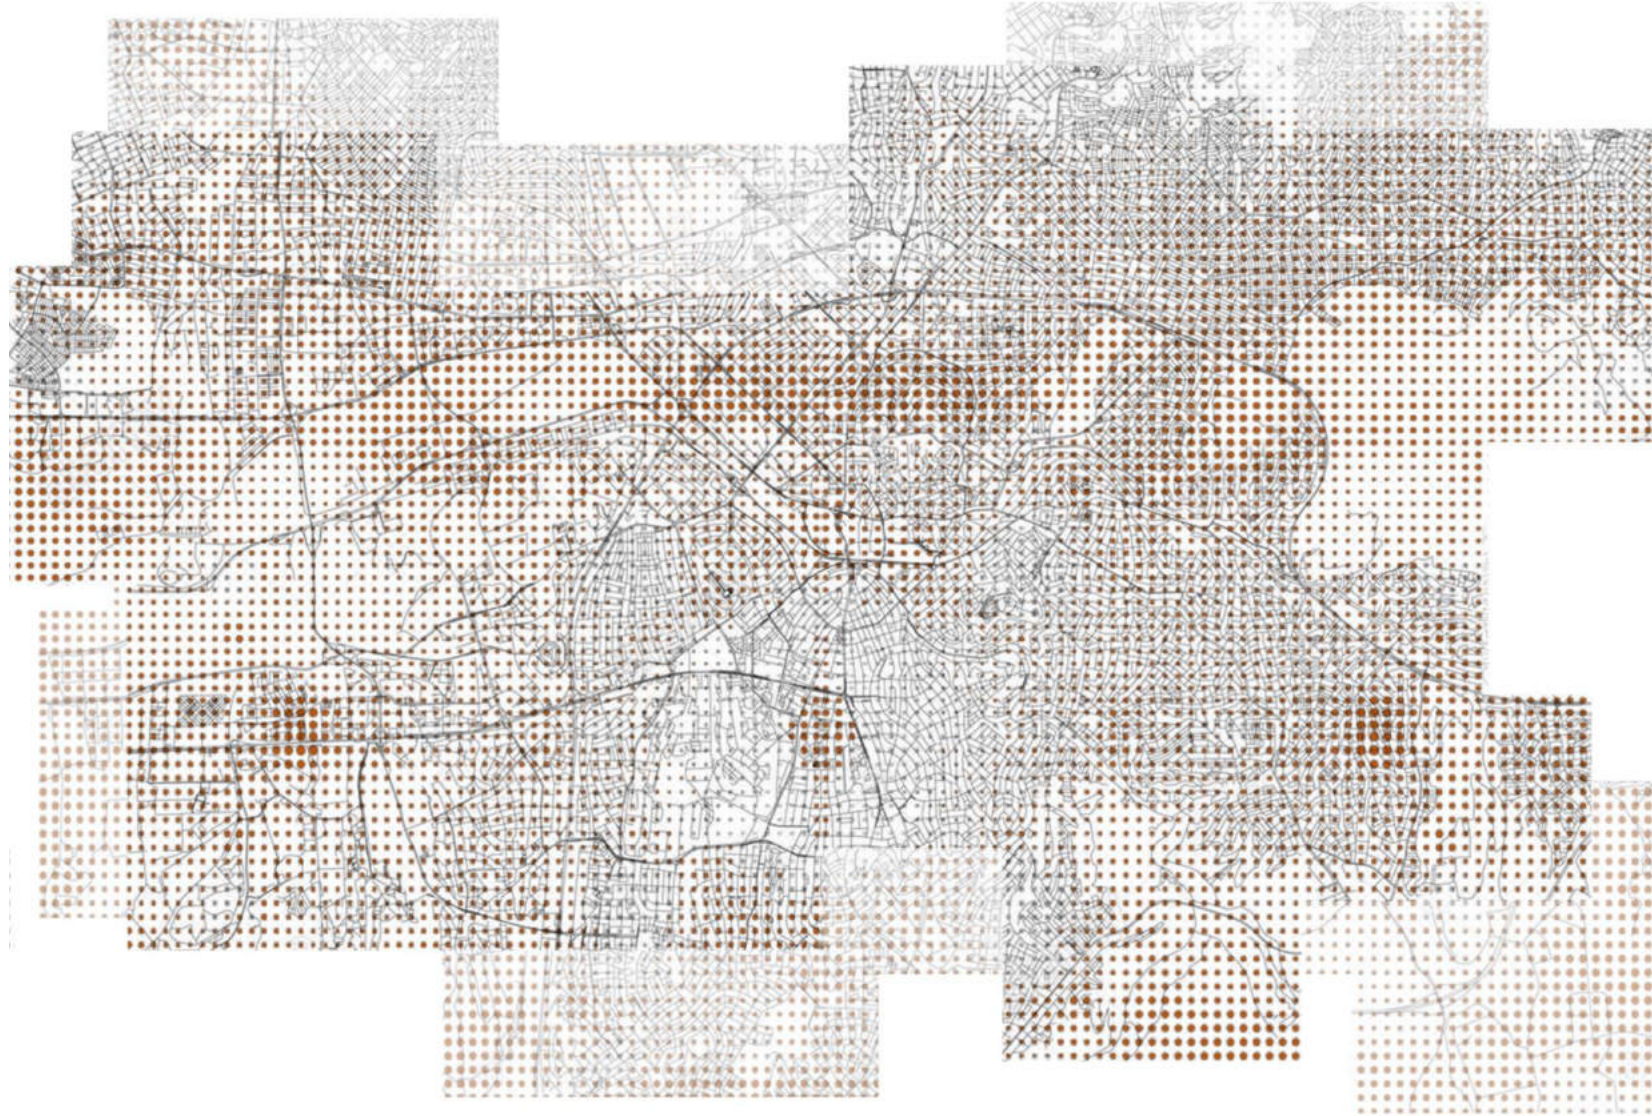

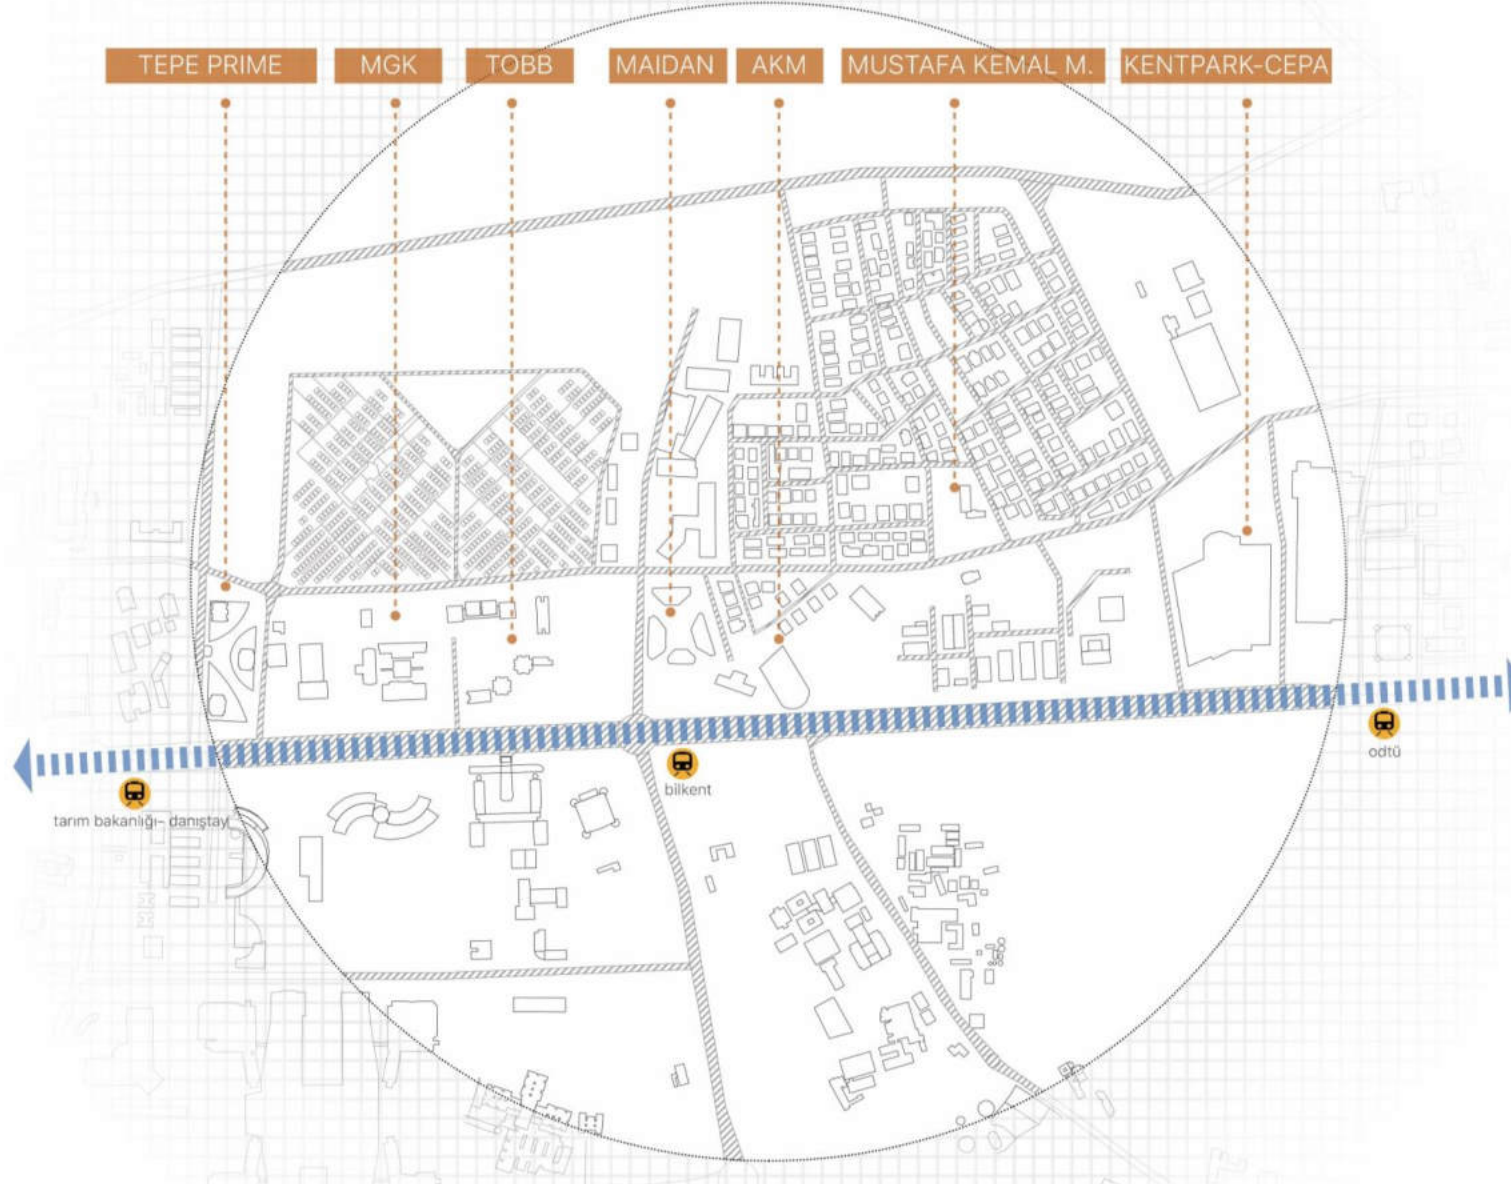

Sennett'e göre, kentin en önemli özelliği, onun kişisel farklılıkları gizlemeden ve kişisel değerleri başkasına dayatmadan başkalarıyla ilişki kurma fırsatı veren bir kamusal alan olmasıdır.

Müşterek mekan, kırılgan ve kıymetlidir, insanlara belirli bir otorite tarafından sunulamayacağı gibi planlanamaz da. Müşterek mekan esasında müşterekleşme pratikleri vasıtasıyla açığa çıkan bir mekan yaratma sürecidir. Şayet bu pratikler kapitalist toplumun sınırlarının epey ötesinde sürdürülecekse, müşterek mekan kolektif icatçılık olma özelliği taşımalı ve yeni gelenlere kapıları her zaman açık olmalıdır. (Stavrıdes)
